

Publication Year: 2007-2008

1. Sayeed MA, **Mahtab H**, Khanam PA, Latif ZA, Banu A, Azad Khan AK. Prevalence of diabetes and impaired fasting glucose in urban population of Bangladesh. Bangladesh Med Res Coun Bull 2007; 33(1): 1-12.
2. Sayeed MA, Banu A, Khanam PA, **Mahtab H**, Azad Khan AK. Risk of obesity for hypertension differs between diabetic and non-diabetic subjects. Ibrahim Med Coll J 2007; 1: 1-6.
3. Mahtab FH, **Mahtab H**. Lifestyle intervention in diabetes. Diab Endocr J 2007; 35(2): 60-65
4. Sayeed MA, Banu A, Khanam PA, **Mahtab H**, Azad Khan AK. Risk of obesity for hypertension differs between diabetic and non-diabetic subjects. Ibrahim Med Coll J 2007; 1: 1-6.
5. Khanam PA, **Mahtab H**, Ahmed AU, Sayeed MA, Azad Khan AK. In Bangladesh Diabetes starts earlier now than 10 years back: a BIRDEM study. Ibrahim Med Coll J 2008; 2(1): 1-3.
6. Sayeed S, Banu A, Khanam PA, Alauddin S, Makbul S, Begum T, **Mahtab H**, Sayeed MA. Prevalence of metabolic syndrome in three urban communities of Dhaka City. Ibrahim Med Coll J 2008; 44-48.
7. Mannan A, **Mahtab H**, Banik NG, Ahmed A, Ibrahim M. Pattern of immunoreactive angiotension I generation and its correlation with SGOT, blood glucose, Na⁺, K, Pi, systolic pressure in diabetes with hypertension and albuminuria in Bangladesh. Presented in the 1st Asia and Ocean Congress of Nuclear Medicine held in Sydney, Australia, Sep 6-10, 1976
8. **Mahtab H**, Mannan A, Banik NG, Ahmed A. Pattern of IRI and NEFA secretion in response to OGTT in diabetics of Bangladesh. Presented in the 9th Congress of IDF held in New Delhi, India, Oct 31 to Nov 5, 1976

9. **Mahtab H**, Ibrahim M, Azad Khan AK, Mannan A, Banik NG, and Afrin Z. Diabetes Mellitus in Bangladesh. [Abstract no. 386], Proceedings of the 10th IDF Congress, Vienna, Austria, Sep 9-14, 1979
10. Azad Khan AK, Akhtar S, Khan S, **Mahtab H**. Coccinia indica in the treatment of patients with Diabetes Mellitus. 28th Proceeding of the 10th IDF Congress, Vienna, Austria, Sep 9-14, 1979
11. Ibrahim M, **Mahtab H**, Ali SMK. Demography and epidemiology of diabetes mellitus in Bangladesh. [Abstract] International Symposium on Delivery of Diabetes Health Care in Developing Countries, Kashmir, India, Nov 9-10, 1981
12. **Mahtab H**, Chowdhury NA, Azad Khan AK, Banik NG, Gulshan-e-Jahan, Salim M, and Shane Ara. Insulin profile of the offspring's of conjugal diabetes. [Abstract no. 5], II World Congress of Diabetes in the Tropics and Developing Countries, Bombay, India, Nov 14-17, 1981
13. Azad Khan AK, **Mahtab H**, Chowdhury NA, Banik NG, Gulshan-e-Jahan, Salim M, Khan S and Shane Ara. Lipid profile of the offspring's of conjugal diabetes. [Abstract no. 4], II World Congress on Diabetes in the Tropics and Developing Countries, Bombay, India, Nov 14-17, 1981
14. Ibrahim M, **Mahtab H**, Gulshan S, Gulshan J, Sultana S, Islam S. IDDM subject employed in a diabetic centre: effect on control and quality of life. [Abstract no. 129], Proceeding of the 11th IDF Congress, Nairobi, Kenya, Nov 10-17, 1982
15. **Mahtab H**, Ibrahim M, Banik NG, Gulshan-e-Jahan, Khan S, Azad Khan AK, Azad K. Fasting lipid profile, serum IRI and FFA response to OGTT in young diabetics (NIDDM), normal children and offspring's of diabetic couples. [Abstract no. 155], Proceeding of the 11th IDF Congress, Nairobi, Kenya, Nov 10-17, 1982
16. **Mahtab H**. Bangladesh-Country Data. Presented in the workshop on Training of Allied Health Professionals for Diabetes health Care. Held in Srinagar, Kashmir, India, August 29 to Sep, 1983
17. Ibrahim M, **Mahtab H**, Majumder TK, Jahan G, Banik NG. C-peptide levels in young diabetics of Bangladesh. Presented in the 3rd World Congress on Diabetes in the Tropics and Developing Countries, Dec 2-8, 1984, Bangkok, Thailand

18. **Mahtab H**, Banik NG, Jahan G, Ibrahim M. Pancreatic B-cell function in adult ketotic and young diabetics of Bangladesh. Accepted and printed in XII IDF Congress Abstract. Madrid, Spain, 23-28 Sep, 1985
19. **Mahtab H**, Hossain E, Chowdhury D, Jahan G, Ahmed A, Islam H, Rahman M. Clinicopathological Co-relation of diabetic nephropathy in twenty eight cases. Poster accepted in XII IDF Congress satellite meeting on microvascular and neurological complications of diabetes, Granada, Spain, 19-20, Sep, 1985
20. **Mahtab H**, Banik NG, Latif ZA, Ibrahim M. Diabetes in Bangladesh. Poster presented in XII IDF Congress. III Worlds Symposium on Health Care for Diabetes in Developing Countries, Cordoba, Spain 16-18, Sep 1985
21. Ibrahim M, Keramat Ali SM, Sayeed A, **Mahtab H**, Azad Khan AK. Epidemiological Study of Diabetes Mellitus in Rugganj Upazilla (Sub-District), Bangladesh. Presented in XII IDF Congress. III World Symposium on Health Care for Diabetes in Developing Countries Cordoba, Spain, 16-18 Sep 1985
22. **Mahtab H**, Latif ZA. Essential drug concept-Bangladesh experience. Presented in the XII IDF Congress. III World Symposium on Health Care for Diabetes in Developing Countries Cordoba, Spain, 16-18 Sep 1985
23. Khan AKMSA, Banik NG, **Mahtab H**, Nauman J. Thyroid hormones metabolism in diabetes mellitus. Proceeding of the 3rd Asia Ocean Thyroid Assoc Meeting 1986; Submitted for oral presentation in the above meeting Bangkok, Thailand, Dec 5-6, 1986
24. **Mahtab H**, Ibrahim M. Bangladesh model. Paper presnted in the Satellite symposium on Diabetes Mellitus in Developing Countries. Session III: Diabetes Health Care Program in Developing Countries-Theme Papers in the 13th symposium on: Key issues and controversies in diabetic glycaemic control in IDF Congress, Sydney, Australia, Nov 20-25, 1988
25. **Mahtab H**, Ibrahim M. Is control possible at the grass root? Paper presented in the Symposium on: Key issues and controversies in diabetic-glycaemic control in the 13th IDF Congress, Sydney, Australia, Nov 20-25, 1988

26. Islam MA, Azad Khan AK, **Mahtab H**, Ibrahim M. Sex linkage in inheritance of type 1 diabetes mellitus. Paper presented in the poster session 1: Genetics of diabetes in the 13th IDF Congress, Sydney, Australia, Nov 20-25, 1988
27. Khan AR, Ibrahim M, **Mahtab H**, Ahsan A. Natural history of 1943 cases of impaired glucose tolerance. Paper presented in the poster session 1: Epidemiology in the 13th IDF Congress, Sydney, Australia, Nov 20-25, 1988
28. Banik NG, Khan S, **Mahtab H**, Azad Khan AK. Insulin secretion and lipid metabolism in IGT subjects. Paper presented in the IV World Congress on Diabetes in the Tropics and Developing Countries, Bangladesh, Feb 24-27, 1989
29. Latif ZA, Ahmed T, **Mahtab H**. Thyroid disorders and diabetes mellitus: an analysis of 276 patients in thyroid clinic of BIRDEM. Paper presented in the IV World Congress on diabetes in the Tropics and Developing Countries, Bangladesh, Feb 24-27, 1989.
30. Rahman M, Chowdhury D, Islam KMN, Hossain E, Azad Khan AK, **Mahtab H**. Effect of low dose aspirin on diabetic renal diseases. Paper presented in the IV World Congress on Diabetes in the Tropics and Developing Countries, Bangladesh, Feb 24-27, 1989
31. Rahman M, Chowdhury D, Islam KMN, Hossain E, Azad Khan AK, **Mahtab H**. Clinico-pathological correlation of diabetic nephropathy. paper presented in the IV World Congress on Diabetes in the Tropics and Developing Countries, Bangladesh Feb 24-27, 1989.
32. Kibriya MG, Sayeed MA, **Mahtab H**, Azad Khan AK. Renal biopsy and immunosuppressive therapy in proteinuric type-II diabetic patients. [Abstract no. 2130]. Abstracts of the 16th International Diabetes Federation Congress, Helsinki, 20-25 Jul 1997, Diabetologia 1997 Jun; 40 (Suppl.1): A 542
33. Amed T, Rahman H, **Mahtab H**, Karim A, Kabir T. Screening of gestational diabetes mellitus. Diabetologia 1997 Jun; 40 (Suppl. 1): A 217 [Abstract # 850]. Abstracts of the 16th International Diabetes Federation Congress, Helsinki, 20-25 Jul 1997
34. Mahtab F, **Mahtab H**, Sayeed MA, Azad Khan AK. Severe hyperglycemia and macroalbuminuria is more prevalent in the rural and among the poor diabetics. Diabetologia 1997 Jun; 40 (Suppl. 1): A

211 [Abstract # 829]. Abstracts of the 16th International Diabetes Federation Congress, Helsinki, 20-25 Jul 1997

35. Mollah AS, Azad Khan AK, **Mahtab H**. Factors influencing the conversion of impaired glucose tolerance to diabetes mellitus. , Diabetologia 1997 Jun; 40 (Suppl. 1): A 197 [Abstract no. 770]. Abstracts of the 16th International Diabetes Federation Congress, Helsinki, 20-25 Jul 1997
36. Parveen S, Bhowmik NB, Haque A, **Mahtab H**, Rahman A and Ali L. Peripheral nerve functions in newly diagnosed severely hyperglycemic diabetic patients. [A 290, Abstract no. 1098]. Abstracts of the 35th Annual Meeting of the EASD Brussels, Belgium, 28 Sep – 2 Oct 1999
37. **Mahtab H**, Kibriya MG, and Azad Khan AK. Hypertension management in NIDDM patients with nephropathy. [A284, Abstract no. 1074]. Abstracts of the 35th Annual Meeting of the EASD Brussels, Belgium, 28 Sep – 2 Oct 1999
38. Sayeed MA, **Mahtab H**, Kibriya MG, Khanam PA, and Azad Khan AK. What should be the fasting plasma glucose level for diagnosing diabetes in South Asian Population? [A 110, Abstract no. 405]. Abstracts of the 35th Annual Meeting of the EASD Brussels, Belgium, 28 Sep – 2 Oct 1999
39. **Mahtab H**. Pregnancy and Diabetes Mellitus. 1st Scientific Seminar on diabetes Mellitus and its Management and Pregnancy with Diabetes Mellitus. Chittagong, 3rd June 2000.
40. **Mahtab H**, Kibriya MG. The Diabetes-Asia, Bangladesh project: Management of Diabetes in Bangladesh. Diabetes Res Clin Prac 2000; Sep 50 (Suppl. 1), P-278 [Abstract no. 278]. Abstracts of the 17th International Diabetes Federation Congress, Mexico City 5-19, Nov 2000
41. **Mahtab H**, Kibriya MG. Micro-vascular complication in type-2 Diabetes in Bangladesh: The Diabecar-Asia Project. Diabetes Res Clin Prac 2000; Sep 50 (Suppl. 1), P-553 [Abstract no. 553]. Abstracts of the 17th International Diabetes Federation Congress, Mexico City 5-19, Nov 2000
42. **Mahtab H**. Pregnancy and Diabetes Mellitus. [Abstract]. New Millennium's 1st Scientific Seminar on Diabetes Mellitus and its Management and Pregnancy with Diabetes Mellitus. June 2000.
43. Sayeed MA, **Mahtab H**, Khanam PA, Amin STE and Azad Khan AK. Prevalence of gestational diabetes in a rural community of Bangladesh. Diabetologia 2001; Aug 44(Suppl. 1), P. A 106

[Abstract no. 405]. Abstract of the 37th Annual Meeting of the EASD Glasgow, United Kingdom, 9-13, Sep 2001

44. 38. **Mahtab H**, Kibriya MG, Mahtab FU, Ikram Z, Sayeed MA, Rahman S and Azad Khan AK. BIRDEM, Diabetic Association of Bangladesh, Dhaka, Bangladesh. Diabetologia 2001; 44(Suppl. 1): A 285 [Abstract no. 1094]. Abstract of the 37th Annual Meeting of the EASD Glasgow, United Kingdom, 9-13, Sep 2001
